☑️HAL 13th August 2021, 1st Shift MECHANICAL MT Post Review by https://t.me/click4pdf

HAL Mechanical MT, 13th August 2021, 1st Shift

Tech - Moderate to Tough ESE Type

Engg. Maths in Tech Section- Moderate GATE Syllabus

English & Reasoning- Easy

GA- Moderate

From Engineering maths 20-25 que were asked In first shift of HAL

Engineering maths ???

Yes gate syllabus maths

In GATE syllabus maths.. except laplace transforms he touched every concept…..

Kese the numericals

From core side 4-6 numerical i guess even less than that…

Bhai normal maths aaya tha.matrix aur differential equations pe the. Easy vaale the

Maitri setu

Japan ka pm

English easy tha

Paragraph pe aye the.

Baki rules..

As of i remember...

Matrices -4

Probability -2

Numerical methods -3

Differential eq -4

Vector calculs -2

Direct integration -2

Statistics -1

Complex numbers -3

Taylors series -2

20-22 Questions from Maths

1st Shift MT, 2nd shift for DT

Playing it my way book writer

Sachin

Bhai gs ka question btao saare

Maitri setu

Japan pm

Jalabhisham

Culcutta to Delhi kab shift hua capital

Prack book aisa kuch book thi writer

1st nobel prize

Ha tagore tha ans

Fuji ki capital

Suva tha

Silk road in arctic

Iska China tha

Ha

Otto cycle 2 question

Emmy award

Eigen value 2

Television

Maxima minima

Simpson rule

Coduction covection

Pelton and kaplan differ

Sir No khurmi & gupta, no rk jain, GATE & ESE Level as you already told

Blending in Powder

Laughing Buddha

Uranium gk

Ratio proportion

Series

Article

Antonyms

Synonyms

Adverb

Paragraph

Number analogy

Mission ka nam tha nuclear mission

First news paper in india

Fuel used In nuclear reactor

Conceptual questions in tech

First law of td

Enthalpy formula

Entropy concept.

Buckling in Euler equation

2theta in Mohr circle

heat transfer aya tha kya?

Haaa

Fourier law

Radiative power

Technical me numerical calculative the kya???

Ha the

Ese prelims type tha….mechanical

Ha right

Yes. One n more than one q right vale .

Is calculator available??

No

It seems that HAL paper is tough than HPCL

gate ke previous year dekhne se maths me fayda hoga kya

Bhai easy vala maths tha. Bt padhake nahi gaya tha..

Jo easy vale hai wo karake jao

Numerical vale formula karake jaao

direct formula puche he ya values de ke calculate krna he

Vector me pucha tha formula. Aur baki calculate karana hai.
